**CEM and EVA Requirements:** Three Chimneys Farm will comply with the 2022 regulations set forth by the USDA and the Kentucky Department of Agriculture pertaining to CEM and EVA.

◆ Do we have your permission to tranquilize your mare? YES NO

Mares bred to Three Chimneys stallions must be vaccinated for Equine Herpes Virus Type-1 between 7- 90 days prior to breeding. Signature below warrants mare has been vaccinated.

◆ Signature \_\_\_\_\_ Cell: \_\_\_\_\_

*Under Kentucky law, a farm animal activity sponsor, farm animal professional or other person does not have the duty to eliminate all risk of injury due to participation in farm animal activities. There are inherent risks of injury that you voluntarily accept if you participate in farm animal activities.*
